## Boiling and Chilled Filtered Drinking Water

### Specifications and guide to model selection

Product Number	Model Name	Initial cup delivery & suggested no. of delivery cups persons	Boiling water delivery cups per hour	Chilled water delivery cups per hour	heating element kW	height mm	width mm	depth water-cooled mm	depth air-cooled mm
904010	Quadra Compact	16	100	150	1.5	340	315	365	395
904020	Quadra 420	24	120	175	1.5	340	315	465	510
904040	Quadra 440	40	150	175	1.7	340	315	465	510
904060	Quadra 460	60	180	175	2.2	340	315	465	510
904100	Quadra 4100	100	250	175	3.4	340	315	465	510
904180	Quadra 4180	180	350	175	4.4	340	315	465	510

### Power supply

Most Quadra models require a standard 10 Amp power outlet. Quadra 4100 model requires a 15 Amp power outlet while the Quadra 4180 requires a 20 Amp power outlet in the cupboard area where the unit is to be installed. All models are supplied with a 1 metre flex cord and plug.

### Water supply

A single 15mm (1/2") stop-tap with a male thread should be installed in an easily accessible position. Water supply must be microbiologically safe to drink, with a minimum dynamic water pressure of 250kPa.

### Warranty

At Billi, we stand behind all of our products and offer a generous 5 year pro rata warranty on Billi Quadra's stainless steel boiling water tank. All other components are covered by a 12 month warranty. Filter cartridges are a consumable and are not covered by warranty, as water conditions and usage vary.

\*Based on the initial number of cups of boiling water immediately available, drawn at one cup every 10 seconds. Consideration may be needed for usage patterns and draw off methods.  
1 cup = 170ml.

### Disability conscious design

Billi's Quadra's ergonomic design accords with current Australian Standards for ease of use for persons with a disability.

### Options and accessories

- Dispenser finishes: Standard finish for the Quadra dispenser is bright chrome. Optional Finish—Brushed Chrome or Black Chrome.
- Billi Font: Allows the Quadra to be located away from sink areas. Finished in polished Stainless Steel.
- Dispenser riser: 65mm dispenser extension – supplied standard with the Billi Font
- Extension Kit: Available for installations where the dispenser needs to be offset from the underbench unit.
- Vent Kit for AC units: Standard or booster-fan versions are available.
