Sahara Plus

Instant Boiling and Chilled Filtered Water Plus Hot and Cold

Specifications and guide to model selection

Product Number	Model Name	Initial cup delivery & suggested no. of persons*	50° hot water delivery litres per hour**	Boiling water delivery cups per hour	heating element kW	height mm	width mm	depth mm
943025	Sahara 320 Plus	20	25	100	1.5	340	180	460
943065	Sahara 360 Plus	60	40	180	2.1	340	180	460
943125	Sahara 3120 Plus	120	65	250	3.3	340	180	460

Water supply

A single 15mm (1/2") stop-tap with a male thread should be installed in an easily accessible position. Water supply must be microbiologically safe to drink, with a minimum dynamic water pressure of 250kPa.

Power supply

The Billi Sahara 320 and 360 Plus models require a standard 10 Amp power outlet in the cupboard area where the unit is to be installed. This Sahara 3120 Plus model requires a 15 Amp power outlet. All Sahara models are supplied with a 1 metre flex cord and plug.

Warranty

At Billi, we stand behind all of our products and offer a generous 5 year pro rata warranty on Billi Sahara Plus's stainless steel boiling water tank. All other components are covered by a 12 month warranty. Filter cartridges are a consumable and are not covered by warranty, as water conditions and usage vary.

Technical Advice

Contact Billi Pty Ltd on 1300 300 316

*Based on the initial number of cups of boiling water immediately available, drawn at one cup every 10 seconds. Consideration may be needed for usage patterns and draw-off methods. 1 cup = 170ml

Certifications

Every Billi drinking water appliance is manufactured under a certified quality control system. The Billi Sahara Plus has been tested and complies with all required standards including: Watermark Licence Number 21525; Tested to AS3498 and AS/NZS4020; AS/NZS ISO 9002 Certificate Number QEC 11627; C-Tick approved; Complies with AS1428 Requirements for Access for the Disabled. Electrical Compliance Number CS100600V.

Options and accessories

- Dispenser finishes: Standard finish for the Sahara Plus dispenser is bright chrome. Optional Finishes—Brushed Chrome or Black Chrome.
- Mixer Tap: Supplied with standard mixer tap. Optional taps—Gooseneck Mixer and Pin Lever.
- Billi Font: Allows the Sahara Plus to be located away from sink areas. Finished in polished Stainless Steel.
- Dispenser riser: 65mm dispenser extension – supplied standard with the Billi Font.
- Extension Kit: Available for installations where the dispenser needs to be offset from the underbench unit.
- Sink Mixer Disabled Lever: Replaces standard Sink Mixer Lever.

Disability conscious design

User friendly and ergonomically designed, the Billi Sahara Plus's dual-temp dispenser conforms to current Australian Standards for ease of use by persons with a disability. The unique safety switch operation, if selected, allows for full lever and hand control, thereby maintaining this compliance.

Preferred installation layout
