

Billi Sahara 360 with Multifunction Mixer Tap

The Sahara Boiling and Ambient (still) drinking water system, is a commercial capacity system, that maintains Billi's core design principles of space saving and vent-free installation. Offering both boiling temperature water and a bottomless supply of filtered ambient temperature water, the Sahara range is convenient and highly functional.

The Good Design Award winning integrated Multifunction Mixer Tap provides a sleek solution to dispensing filtered water with a touch sensitive interface, alongside domestic mains supplied by operating a standard flick mixer.
